②

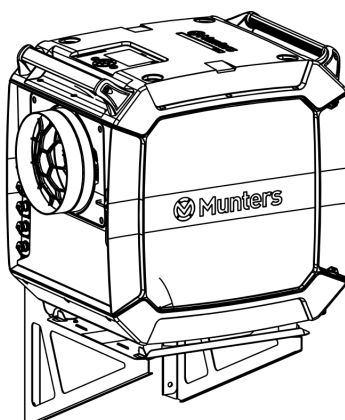

③ 6x

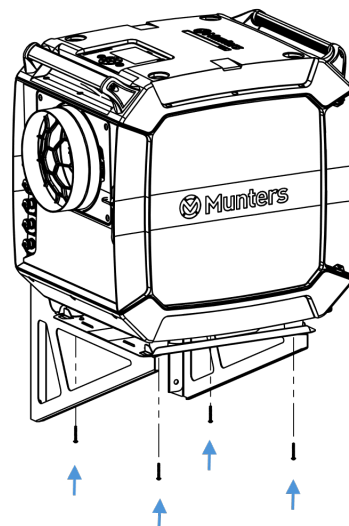

③

④

⑤ 4x 30mm (T20)

### WARNING!

Risk of serious or fatal injury from falling equipment. Follow each step of instruction carefully.

Wall screw(s) and plug(s) are not included.

Check that the wall is strong enough to hold the equipment.

Use screw(s) and plug(s) suitable for your wall and the load.

If you are uncertain, seek professional advice.
